

You'd wait for the latest sneaker drops

For a seat at the hottest restaurants

For tickets to your favourite bands

But life's too short to keep waiting for the things you want.

That's why at HSBC, we've made banking available instantly, at your fingertips.

Open a new bank account instantly, with just your Singpass or ID.

And start banking anywhere, immediately.

Pay your bills, convert currencies, transfer funds locally – or to over 200 territories globally – without fees.

Manage your cards, such as activating new cards and reporting lost or stolen cards.

You can even apply for balance transfers or split your payments into instalments.

Plus, redeem from over 20,000 items with consolidated reward points across your cards.

You can also start an investment account and trade in equities and funds.

And view and manage your wealth portfolio anytime.

What's more, get updates on the latest offers, personalized reminders and even help via Chat

With the HSBC Singapore app that's now better than ever before.
